

## IYC Tender Dock Location

**Where:** The IYC Tender Dock is located at 539 Queens Quay West. It is on the South side of Queens Quay West between Bathurst St and Spadina Ave at the base of Dan Leckie Way (see map below). There is a shelter

that you can sit in while you wait for the tender (see picture below). Be prepared to give yourself extra time when commuting down to the dock due to traffic, possible events in the city and parking.

**TTC Option:** You can take the 509 or 510 streetcar and get off at Queens Quay West at Dan Leckie Way stop. From the stop you are able to see the shelter to wait in.

**Parking Options:** P6 Spadina Pier Parking Garage is an underground parking lot located east of the tender location. Please note that if you are driving in from the East you cannot turn directly into the parking and will have to turn around and enter from the West.

P3 Rees Street Parking is street level parking lot located at Rees and Queens Quay West. It is less than a 15 minute walk west to the tender dock on Queens Quay.

P2 York Quay Parking is an underground parking lot located at Lower Simcoe Street and Queens Quay West. It is a 20 minute walk west to the tender dock on Queens Quay.

Please note that the parking garages are owned and operated by Harbourfront Centre, and the City of Toronto, and is not affiliated with the Island Yacht Club. Please note that they are cash only. The cost and availability varies depending on demand.

**When:** The IYC tender runs on a schedule that can be found at <http://iyc.ca/private-shuttle/>.
